

I'm writing on behalf of K-LOVE to ask that you respectfully re-consider giving priority of air time to the LPFM. I understand that in doing so this may take K-LOVE off the air. This concerns me because K-LOVE has been such an inspirational voice for me and my family. I went through some marriage problems a few years ago and K-LOVE helped keep me from falling apart! It is vital to keep this station on the air because it helps people and gives them hope when all else is failing. I'm a true recipient of K-LOVE's inspirational messages and music. Please don't take away the only radio station that I can leave on and know that it's safe for my children to listen to. I'm a parent of 3 children and it's hard enough rearing them in this hardened society.

Thank you for your time and attention to this pressing matter.

God Bless,
